SKILLS

- **Languages:** Java, C++
- **Frameworks:** HTML, CSS, Java Script
- **Tools/Platforms:** Excel, Tableau, Power BI,
- **Software:** Adobe Photoshop, Figma
- **Soft Skills:** Problem-Solving, Adaptability, Strong Communication Skills

PROJECTS

OTT Market Analysis & Business Growth Dashboard in Tableau | Tableau, Excel (Data Preparation & Visualization) Dec 2024 – Feb 2025

- Analyzed the market performance of major OTT platforms (Netflix, Prime Video, Hotstar, ZEE5, and Aha) to identify growth opportunities for Aha.
- Developed interactive Tableau dashboards using Tableau (Dashboarding & Data Visualization) and Excel (Data Preparation) to visualize OTT market trends, subscriber growth, revenue insights, the churn rate, and content engagement patterns.
- Designed bar charts, line graphs, pie charts, heatmaps, and interactive visualizations to showcase key performance indicators, enabling a comprehensive understanding of OTT market trends.
- Optimized data-driven decision-making by providing insights into OTT monetization (Subscription vs. Ad Revenue), user retention, and trending genres, enhancing Aha's strategic planning.

Grocery Website Oct 2022 – Dec 2022

- Built an online grocery platform to simplify product browsing and enable customers to place orders conveniently.
- Designed a user-friendly interface with dynamic price display, clear product categorization, and smooth navigation using HTML, CSS, and JavaScript.
- Delivered a functional and responsive website that improved user experience and streamlined the ordering process.

TRAINING

Jun 2024 – Jul 2024

Lovely Professional University – Mastering Data Structures and Algorithms

- Intensive Summer Training Program: Completed at Lovely Professional University (LPU), focusing on mastering Data Structures and Algorithms (DSA).
- Hands-on Experience: Gained extensive experience working with arrays, linked lists, stacks, queues, trees, graphs, hashing, and dynamic programming.
- Enhanced Skills: Strengthened problem-solving skills and algorithmic thinking, beneficial for competitive programming and real-world applications.
